TWO HEARTS, ONE SOUL

3.0L ECODIESEL V6 ENGINE

Put your 2023 Jeep® Gladiator to the test. The available 3.0L EcoDiesel V6 engine provides impressive power, performance and towing capability to take on off-road and on-road challenges as you take on new adventures. It offers 260 horsepower and available, best-in-class 442 lb-ft of diesel torque⁴ for impressive performance and outstanding low-end strength, so now you can take your crew and your gear on-road and off-road with confidence.

260 HORSEPOWER

442 LB-FT OF TORQUE

UP TO 22/28 CITY/HWY MPG⁵
(Manufacturer's estimate)

3.6L PENTASTAR® V6 ENGINE

Load up, set your waypoint, and confidently take on every adventure over mountains, hills and valleys. This award-winning engine is designed to deliver powerful pull with welcome efficiency. Economies are realized thanks to a two-step Variable Valve Lift System specifically designed to remain predominantly in low-lift mode until more power is demanded, when it will quickly move into high-lift mode for improved combustion. Its cooled exhaust-gas recirculation and innovative weight-reduction strategies also aid efficiencies and power output while maintaining the smooth performance that's a recognized hallmark of the Pentastar® engine.

285 HORSEPOWER

260 LB-FT OF TORQUE

UP TO 16/23 CITY/HWY MPG⁶
(Manufacturer's estimate)

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep Gladiator. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, 4x4 gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Available.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. It's matched to either a Command-Trac® 4x4 system on Sport, Overland® and Mojave or paired with the Rock-Trac® 4x4 system on Rubicon.®

GET A GRIP

WITH STAND-ALONE CAPABILITY

JEEP® GLADIATOR SOLDIERS ON WITH AUTHENTIC FOUR-WHEEL-DRIVE (4WD) SYSTEMS THAT WORK INDEPENDENTLY TO GET THE JOB DONE.

DEP
DEALER ePROCESS

COMMAND-TRAC® 4x4 SYSTEM

This part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles, shifts smoothly at speeds up to 45 mph and has a 2.72:1 low-range gear ratio. Standard on Sport, Overland® and Mojave.

ROCK-TRAC® 4x4 SYSTEM

Rubicon® rides with this extreme 4x4 system. Its 4:1 low-gear ratio allows Jeep® Gladiator Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

SELEC-TRAC® FULL-TIME 4x4 SYSTEM

An active 4x4 transfer case does all the thinking, providing optimum traction for all types of conditions. The Smart Lock feature keeps the system engaged during off-roading or slippery road conditions. Available on Sport, Overland and Mojave.

ROCK-TRAC FULL-TIME 4x4 SYSTEM

This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Available on Rubicon.

FORWARD-FACING OFF-ROAD TRAILCAM³ Provides a view of the trail directly in front of your vehicle, helping you pick your path. Available on Overland,[®] Mojave and Rubicon.[®]

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help maneuver through tight spots. Available.

TOW HOOKS Every Jeep[®] Gladiator Sport, Willys, Overland and High Altitude gets two tow hooks up front and one in back. Rubicon stands out with Red-painted tow hooks, and on Mojave, they're a distinctive Orange color, with both models getting two hooks in front and two in the rear.

SKID PLATES All models feature up to four standard skid plates/bars, made from lightweight high-strength steel, to help protect the underbody. Both Rubicon and Mojave add heavy-gauge, steel rock rails for rocker panel protection, while Rubicon also includes rock rails mounted behind the rear wheels to help protect the bed. Standard.

SELEC-SPEED[®] CONTROL Manages vehicle speeds of 0.6 mph to 5 mph in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Jeep Gladiator put the right amount of power or braking onto the ground. Standard with 8-speed automatic transmission.

HILL START ASSIST (HSA) Works to prevent Gladiator from rolling when starting on an uphill gradient. Standard.

OFF-ROAD PAGES View real-time data like suspension travel, tilt and pitch, wheel turn and transmission temperature to help provide optimal performance. Available.

POWER AND PROTECTION
KEEP YOU GOING

WHEN THE GOING GETS TOUGH, JEEP[®] GLADIATOR OFFERS A LONG LIST OF STANDARD AND AVAILABLE FEATURES THAT HELP YOU MANAGE YOUR PROGRESS, PROTECT YOUR VITAL PARTS AND KEEP YOU INFORMED OF VEHICLE PERFORMANCE.

DEALER ePROCESS

» LOCKED IN

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4x4 traction. An instrument-panel-mounted rocker switch can lock either the rear (on Mojave models) or both (on Rubicon® models) axles. Paired with the Rock-Trac® 4x4 system on Rubicon models. The rear axle can also be locked in 4-HI.

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep® Gladiator is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling maneuvers. Standard on Mojave and Rubicon.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 percent. It reconnects automatically at speeds above 18 mph. Standard only on Rubicon.

YET FLEXIBLE

DEALER PROCESS

A JEEP® GLADIATOR BEARING A TRAIL RATED® BADGE EXCELS IN THESE CATEGORIES:

- ARTICULATION** A high level of suspension travel allows for better control over varied terrain.
- TRACTION** Efficiently transfers power to traverse varied surfaces with consistent grip.
- GROUND CLEARANCE** Approach, breakover and departure angles are all maximized.
- MANEUVERABILITY** Precise, responsive steering and an optimized wheelbase.
- WATER FORDING⁷** Can traverse water depths up to 31.5 inches.

THE BADGE SAYS IT ALL

GLADIATOR MOJAVE IS DESERT RATED®, DEVELOPED TO STAND OUT IN THESE CATEGORIES:

- RIDE CONTROL AND STABILITY** With a ground-breaking, desert-tuned suspension, Mojave tackles undulating desert terrain with uncompromising control and comfort.
- TRACTION** By strategically managing and delivering power, Mojave conquers unpredictable surfaces like sand, gravel and loose dirt with confidence.
- GROUND CLEARANCE** Maximized running clearances with an optimized suspension allows Mojave to crest dunes, blast through whoops and anything else the desert can throw at it.
- MANEUVERABILITY** Nimble and responsive handling allows Mojave to become an extension of the driver when swiftly navigating desert terrain and climbing extreme angles.
- DESERT PROWESS** Tested and proven to withstand the intense heat, coarse sand, loose gravel and intrusive dust that accompany unforgiving desert environments.

BARES ITS SOUL

UNFETTERED, OPEN-AIR FREEDOM IN EVERY DIRECTION MAKES JEEP® GLADIATOR ABSOLUTELY UNIQUE. INVITE THE SUNSHINE INSIDE FOR THE RIDE, ALONG WITH ALL THE GOODS YOU WANT TO CARRY IN THE TRUCK BED. LET NOTHING STOP YOU FROM FEELING THE WIND IN YOUR HAIR, WITH NO SEPARATION BETWEEN YOU AND THE SCENERY AT HAND.

REMOVABLE TOPS⁸

Open-air driving has never been more fun. Go with your choice of the standard Sunrider® Soft Top, the available Premium Sunrider Soft Top or available Sunrider Flip Top for Hardtop from Mopar®.

FOLD-DOWN WINDSHIELD⁸

The aluminum-framed windshield is easy to unfasten, fold down and secure to the hood with available straps from Mopar.

REMOVABLE DOORS⁸

Made of lightweight aluminum, the doors are designed for easy removal⁸ with the included TORX® toolkit.

THE BIG VIEW

7-INCH DRIVER INFORMATION DISPLAY

Front and center in the gauge cluster, you'll find a wealth of scrollable vehicle data in full color that you safely control via steering-wheel buttons. Standard on Overland,[®] Mojave and Rubicon.[®] Available on Sport S.

DURABLE STYLE

Jeep[®] Gladiator is crafted with premium materials and more attention to detail, so you can pay attention to the road ahead in comfort. This is style that steps it up to perform extra duty for both business and pleasure.

CONVENIENCE CENTER

WINDSHIELD WITH CORNING® GORILLA® GLASS Three times as tough as conventional glass, this windshield uses soda-lime glass on the outside of the vehicle and Corning® Gorilla® Glass on the inside, creating a hybrid that is lighter, clearer and even designed to withstand higher forces of impact than the standard windshield. Available.

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed to reveal drain plugs that, when removed, allow the floor to be easily hosed out. Standard.

COMMAND CENTER It's all conveniently laid out and right at hand. Important functions and settings are arranged on the front dash and console, providing access via quality dials and firm buttons. Standard.

MORE POWER TO YOU Connect to and power up your devices with the USB port,²¹ micro USB port,²¹ 12-volt outlet and the audio jack situated on the front dashboard. An additional available 115-volt outlet and two USB ports²¹ are on the rear of the center console, especially handy for device users in the second row.

AUXILIARY SWITCH GROUP This bank of four switches, conveniently installed in the dashboard, is pre-wired from the factory to accept accessories like off-road lights and a winch, making its addition clean and hassle-free. Available.

DEALER ePROCESS

READY TO ROCK

ALPINE® PREMIUM AUDIO SYSTEM

EXPERIENCE IMMERSIVE SOUND WITH NINE SPEAKERS, AN OVERHEAD SOUND BAR, AN ALL-WEATHER SUBWOOFER AND A 552-WATT AMPLIFIER. AVAILABLE.

PORTABLE BLUETOOTH® SPEAKER

Tucked behind the rear seat is a removable, weather-resistant Bluetooth® speaker you can take outside the cabin. Control buttons allow volume control, play/pause and pairing. A USB charging port²¹ and auxiliary cable input extend functionality. Resists dust as well as water (for up to 30 minutes in up to 1 meter of depth). Great for tailgating and camping. Available.

Properly secure all cargo.

SOPHISTICATED PRESENCE

JEEP® GLADIATOR HIGH ALTITUDE stands with a premium profile, making its presence known with a wider stance, standard LED Lighting Group and 20-inch wheels. Choose your favorite body-color, and you'll see it reflected in upscale style on the standard Freedom Top® Modular Hardtop, fender flares and bumpers. A standard Safety Group of features delivers added confidence to its exceptional capability.

DEALER ePROCESS

ELECTRONIC STABILITY CONTROL (ESC)²²

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC²² coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS), Traction Control and Trailer Sway Damping (TSD);²³ sending them into action when needed. Standard.

ALWAYS READY AND
SURE-FOOTED

DESIGNED TO SUPPORT YOUR ADVENTUROUS NATURE,
JEEP® GLADIATOR OFFERS OVER 80 STANDARD AND AVAILABLE
SAFETY AND SECURITY FEATURES THAT WORK TO HELP YOU
SUCCESSFULLY NAVIGATE CHALLENGING WEATHER AND TERRAIN.

DEALER ePROCESS

ADVANCED SAFETY & SECURITY SYSTEMS

WHEN IT COMES TO YOUR WELL-BEING ON THE ROAD, JEEP® GLADIATOR IS READY AND WILLING TO STAND AS A CHAMPION. GLADIATOR OFFERS MORE THAN 80 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. SENSORS AND CAMERAS KEEP WATCH AROUND YOUR PERIMETER TO HELP PROVIDE PEACE OF MIND.

BLIND SPOT MONITORING²⁴ AND REAR CROSS-PATH DETECTION³

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARKSENSE® REAR PARK ASSIST SYSTEM²⁵

Works in tandem with the ParkView® Rear Back-Up Camera³ to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 4 mph, the system will automatically bring the vehicle to a stop if an object is detected. Available.

FULL-SPEED FORWARD COLLISION WARNING PLUS²⁶

Uses radar and sensors to video-detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given or the system assists the driver in mitigating a potential collision. Available.

HILL START ASSIST (HSA)

Take to the hills fully loaded with confidence and a bed filled with goods. HSA works to prevent your vehicle from rolling when starting on an uphill gradient. Standard.

FORTRESS OF FORTITUDE

THIS HIGH-STRENGTH BODY STRUCTURE
HELPS PROTECT OCCUPANTS AND OFFERS
FEATURES THAT ADD PEACE OF MIND.

BODY STRENGTH The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, designed to make Jeep® Gladiator light in weight while still providing a very strong chassis. Standard.

ADVANCED MULTISTAGE AIR BAGS²⁷ In the unfortunate occurrence of a collision, these air bags²⁷ deploy nearly instantaneously, providing occupant protection that's matched to crash severity. Standard.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS²⁷ Deploying from the outboard side of each front seat, these air bags²⁷ enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM The alarm is activated by virtually any unauthorized movement, such as wheel removal or towing; illegal opening of a door, hood or swing gate; ignition start; cutting of battery leads; or motion inside the cabin. Available.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Gladiator safe and secure where you parked it. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS) This system helps make it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bag²⁷ deployment. Standard.

DEALER ePROCESS

LED LIGHTING GROUP

Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daytime running lamps (DRLs), and the Group's LED headlamps, taillamps and front LED fog lamps are designed to enhance visibility during inclement weather. Available.

UCONNECT® INTEGRATED VOICE COMMAND WITH WIRELESS TECHNOLOGY

This important feature allows drivers to send, reply or listen to a text¹¹; take or make phone calls; request detailed information like fuel prices; and more while keeping both hands on the wheel. Standard.

SIRIUSXM GUARDIAN™¹⁵ WITH SOS CALL¹⁶ AND ROADSIDE ASSISTANCE CALL²⁸

Provides help in the event of an emergency on the road. Press the SOS¹⁶ button above the rearview mirror to be connected to an agent who can direct emergency assistance to your location. Press the Assist button above the rearview mirror, followed by Roadside Assistance²⁸ on your touchscreen, to speak to an agent who can send roadside aid. Available.

DEF
DEALER ePROCESS

PULL WITH CONFIDENCE

TRAILER SWAY DAMPING (TSD)²³ When you're towing valuable toys, it's critical to help keep things under control. TSD²³ helps improve handling should crosswinds or traffic become challenging. The system continuously monitors vehicle movement and adjusts brake pressure to individual wheels until you're moving safely forward once again. Standard.

TRAILER BRAKE CONTROL Raise or lower the brake pressure of your trailer brakes with the turn of a dial. Dealer-available option.

PARKVIEW[®] REAR BACK-UP CAMERA³ WITH AVAILABLE TRAILER HITCH ZOOM³ When the vehicle is in Reverse, the Uconnect[®] screen displays a wide-angle view of what's immediately behind your vehicle, revealing objects that may have been out of your sight line. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. You'll also be able to keep an eye on your tow load while in motion when properly equipped. Available.

CARGO SOLVED

LOCKABLE REAR UNDERSEAT STORAGE BIN

Hidden under the rear seat, this lockable and removable⁸ box offers out-of-sight storage for plenty of gear. It includes two independently locking doors, movable dividers and a carry handle. Available.

FLEXIBLE REAR SEATING The 60/40 split-folding rear seat can be configured multiple ways. Both seatbacks can be folded down independently, or the seat bottoms can flip up. Standard.

LOCKABLE BEHIND-SEAT STORAGE The rear seatbacks can be locked upright using the vehicle key, providing secure storage behind the seat, especially helpful when the top is off and the doors are removed⁸ Standard.

LOCKABLE GLOVE BOX AND CENTER CONSOLE These locking compartments are large and provide essential peace of mind. Standard.

BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered center console has a main bin big enough to fit a tablet and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

HARDWARE STORAGE There's even a covered compartment under the rear seat to securely hold the bolts from the top, doors and windshield.

DEALER ePROCESS

MODULAR SEATBACK JEEP UTILITY GRID SYSTEM

Built into the seatbacks of Mojave and Rubicon[®] are exclusive grids that support the addition of flexible storage. Strong, nylon woven straps will accommodate standard MOLLE-style bags. Available.

Properly secure all cargo.

ACTION PACKED

CARGO MANAGEMENT GROUP WITH TRAIL RAIL™ SYSTEM

Keep cargo organized, secure and easily at hand. Three embedded rails with adjustable tie-down sliders run along the inside of the truck bed and behind the cab. This Group also includes a 240-amp alternator, lockable rear underseat storage, exterior 115-volt AC outlet and 400-watt inverter. Available.

MORE THAN TOUGH ENOUGH

A traditional steel bed utilizes steel crossmembers to reinforce the load floor while the aluminum tailgate is damped. Utility and versatility are maximized with strong, integrated tie-downs, LED bed lighting and an optional, covered, external, 115-volt power source.

SPRAY-IN BEDLINER

This durable and attractive liner is available from the factory, helping to protect the cargo bed from whatever you throw at it. Available.

THREE-POSITION, SOFT-OPEN TAILGATE

The standard, lightweight, aluminum tailgate is damped for safe and smooth opening and closing. It can be set in three different positions, allowing you to securely transport items of various sizes, including 4 x 8-foot sheet goods.

ROLL-UP TONNEAU COVER

Keep the valuables stored in your truck bed covered and protected. Made of extremely durable, water-resistant material, this cover rolls out from the cab and secures at the tailgate. You can flip back the last section to allow loading of longer items while keeping the rest of the tonneau and tailgate closed and secure. Durable straps secure the tonneau in its rolled position. Available.

WILLYS

4 WHEEL DRIVE

WILLYS EDITION This offering of Jeep® Gladiator is inspired by the original Willys Jeep Truck introduced in 1947, now shifting gears for a modern retelling of a classic tale. Standing proud with a special appearance, it arrives with unique Willys hood decals and Black wheels that adorn big 32-inch mud-terrain tires. Standard rock rails and Trac-Lok® limited-slip rear differential enhance the capability.

(1) Based on exclusive fold-down windshield, removable doors, removable soft top and removable hardtop. Class based on Ward's Small Pickup segmentation. Competitor information based upon available manufacturer specifications. (2) Class based on Ward's Small Pickup segmentation. When properly equipped. Competitor information based upon available manufacturer specifications. (3) Always check entire surroundings visually before proceeding. (4) Class based on Ward's Small Pickup segmentation. Competitor information based upon available manufacturer specifications. (5) Based on manufacturer's-estimated 22 city / 28 hwy / 24 combined mpg rating when equipped with 3.0L EcoDiesel V6 engine with 8-speed automatic transmission. Manufacturer's-estimated 21 city / 27 hwy / 24 combined mpg rating when equipped with 3.0L EcoDiesel V6 engine with 8-speed automatic transmission on Rubicon models. Actual mileage may vary. (6) Based on manufacturer's-estimated 16 city / 23 hwy / 19 combined mpg rating when equipped with 3.6L Pentastar V6 engine with 6-speed manual transmission. Manufacturer's-estimated 17 city / 22 hwy / 19 combined mpg rating when equipped with 3.6L Pentastar V6 engine with 8-speed automatic transmission. Actual mileage may vary. (7) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (8) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (9) Check state and local laws regarding the use of remote start systems. (10) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. (11) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (12) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (13) To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan and the Android Auto App. (14) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (15) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (16) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. (17) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (18) You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (19) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (20) Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (21) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (22) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (23) Always drive carefully, consistent with conditions. (24) Always check visually for vehicles prior to changing lanes. (25) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (26) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (27) Always sit properly in designated seating positions with seat belts securely fastened at all times. (28) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (29) Vehicle must be locked and system activated for alarm to sound. (30) Not compatible with all garage doors. (31) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (32) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (33) Item is a Mopar Accessory that may require installation by your dealer. See dealer for details. (34) Non-luxury brands. Excludes other FCA US LLC brands. (35) Rental allowance (not to exceed \$40) is only for same-day mechanical repair or maintenance service (excluding bodywork). Vehicles kept overnight are not eligible. (36) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (37) Visit Mopar.com for complete details and a copy of the Powertrain Limited Warranty. (38) See the Reward Terms and Conditions in the Summary of Credit Terms provided at time of application for details, including earning, redemption, expiration or forfeiture. Percentage back is earned as points.
